

DIY WORKSHOP

COFFEE TASTING & BREWING BASICS

Tuesday September 25, 6:30 - 8:00 pm

Join Debra Hoffos, self-proclaimed “coffee snob” for a hands-on, practical and fun workshop all about coffee. Although coffee is serious business, Debra’s approach allows everyone attending to ask questions and participate. Learn some coffee basics and sample three different roasts. Try your hand at three methods to brew great coffee at home: ChemEx, French Press and Pour-Over.

\$8 per person

Advance registration is required. Please stop by either branch to sign up.
