Express DVD Loans!

Lincoln Public Library is introducing an "Express DVD" collection at both locations. Express DVDs are popular titles that can be borrowed for three days, with no renewals or holds.

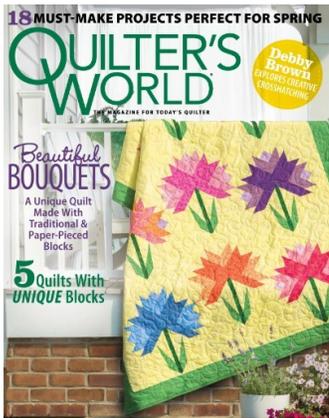

Express DVDs give you a chance to find a high-demand movie on the shelf. Other copies are available that can be reserved and borrowed for the regular loan period of one week. Many of these movies are also available in Blu-ray format that can be borrowed for a week.

To begin, our collection is small but it will grow as we get new titles. Take a chance – come in and see what's here!

Holiday Closure

Both branches will be closed **Monday February 17** for Family Day. The Fleming Branch will be also be closed on **Sunday February 16**.

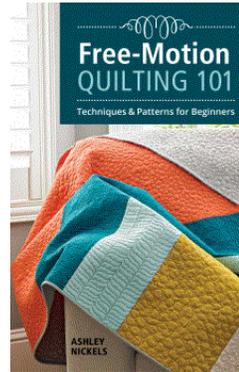

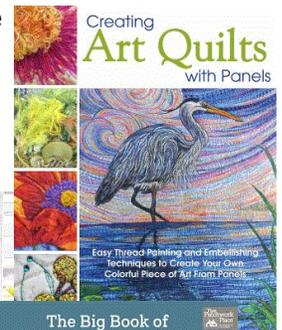

Attention Quilters! We have a new Flipster magazine for you.

We are pleased to have *Quilter's World* in our selection of Flipster e-magazines available through our website. All you need is an LPL library card to read or download this new title.

Reading a Flipster magazine is just like flipping through the pages of a printed magazine, with the added advantage of being able to increase the font size!

There are now 22 Flipster titles for you to choose from, including *Vogue*, *Sports Illustrated*, *Organic Gardening*, *Family Tree*, *Sky News*, *Archie*, *Wired* and *Dwell*. Something for everyone!

PS Looking for our books on quilting? For how-to and inspiration, check the nonfiction section at 746.46. A few recent arrivals are pictured. Plus, why not continue the quilting experience after you put down your needle by checking out the fiction section with its quilt-themed novels? We have series by Marie Bostwick, Jennifer Chiaverini, Wanda Brunstetter, Isabella Alan and more.

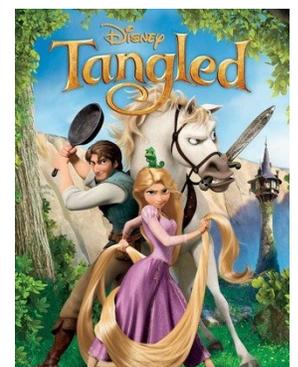

Play Valentine I Spy!

From February 1 to 14, kids can hunt through either branch to see how many valentines they can spot and track on their clue sheet. Yes, there will be Valentine Day prizes!

March Break Registration is Underway. It's clearly not too early to think about March Break. We'll have lots of fun programs during the week of March 16 to 20, including Mini Art Camp, Tech Zone, Spa Fun and an Escape Room. Our March Break flyer is now available in both branches and on our website.

Friday February 14 is a PD Day for many local schools. Both LPL branches will have activities for kids, including a free 1 pm screening of the wonderful movie *Tangled* at the Fleming Branch in Beamsville.

Plus — don't forget that **Saturday March 7** is **Paper Bag Princess Day!** To celebrate the 40th anniversary of this groundbreaking title, plus International Women's Day, we'll have guest speakers at both branches reading the book aloud, plus related activities for kids of all ages.
